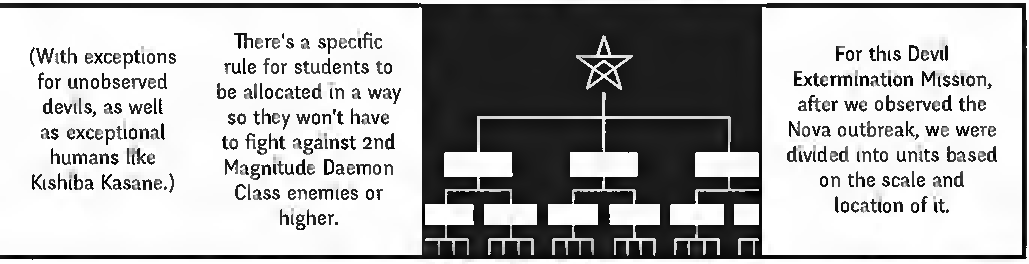
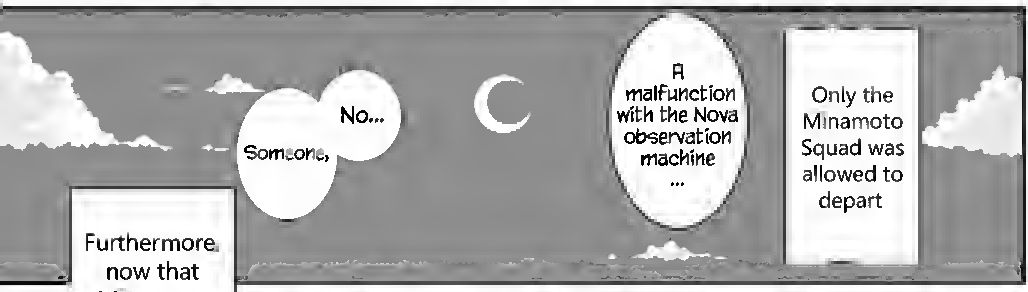
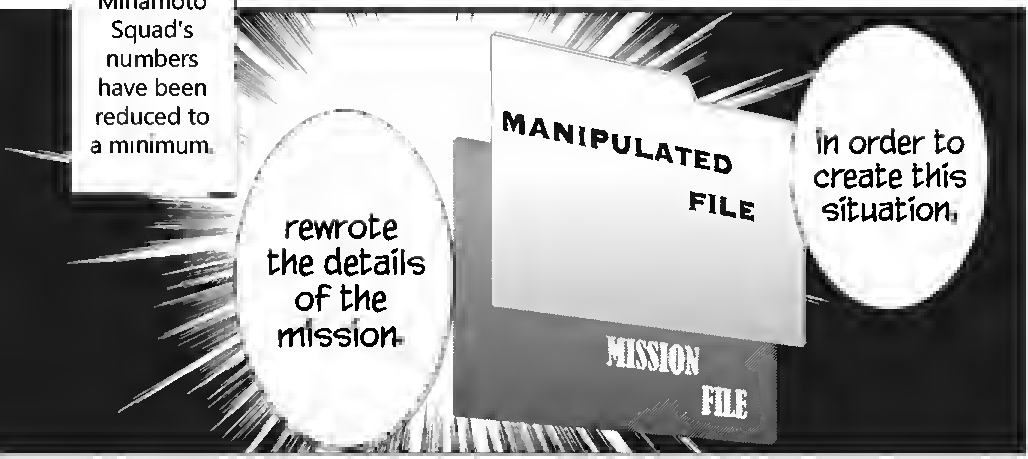
Due to the S, here's interference, there have been deviations in the teleportation destinations!
That gives me the chills!
According to the observation report, it's an enormously high level Nova Sphere!?



(With exceptions for unobserved devils, as well as exceptional humans like Kishiba Kasane.)
There's a specific rule for students to be allocated in a way so they won't have to fight against 2nd Magnitude Daemon Class enemies or higher.
For this Devil Extermination Mission, after we observed the Nova outbreak, we were divided into units based on the scale and location of it.



No...
Someone,
A malfunction with the Nova observation machine ...
Only the Minamoto Squad was allowed to depart
Furthermore, now that Minamoto Squad's numbers have been reduced to a minimum.



rewrote the details of the mission

in order to create this situation.

This is the perfect time and setting to confirm his manifestation of the Seal of Solomon.
and we're facing devils of Daemon Class or higher...
we're on an isolated island that nobody is allowed to enter.
to secretly eliminate Yomikado Meijirou.
And also, an opportunity
This is a trap
The moment of judgement has arrived.
that was set up for me to exploit.
キリキリキリ
The sound of an Astral !?

Yomikado Meijirou!?
You can't escape
with them...!

Should I fire?

What if Yomikado Meijirou's just an ordinary novice?

God's orders. The Seal of Solomon!

This is my utmost priority.

Yomikado Meijirou is probably using me.

A perfect opportunity.

Follow your beliefs.

Verifying it are my orders.

Those kids too.

At this rate, I'll be killed.

I need to succeed.

Die!

If I can't save those innocent children...

For what reason
was I born?
Tell me, God!

Hit... It... it hit!
Jesus!
Pastor -san!
Calm down, it was a good shot!
Thank you, thank you!
Haah ...!
Hahh ...!

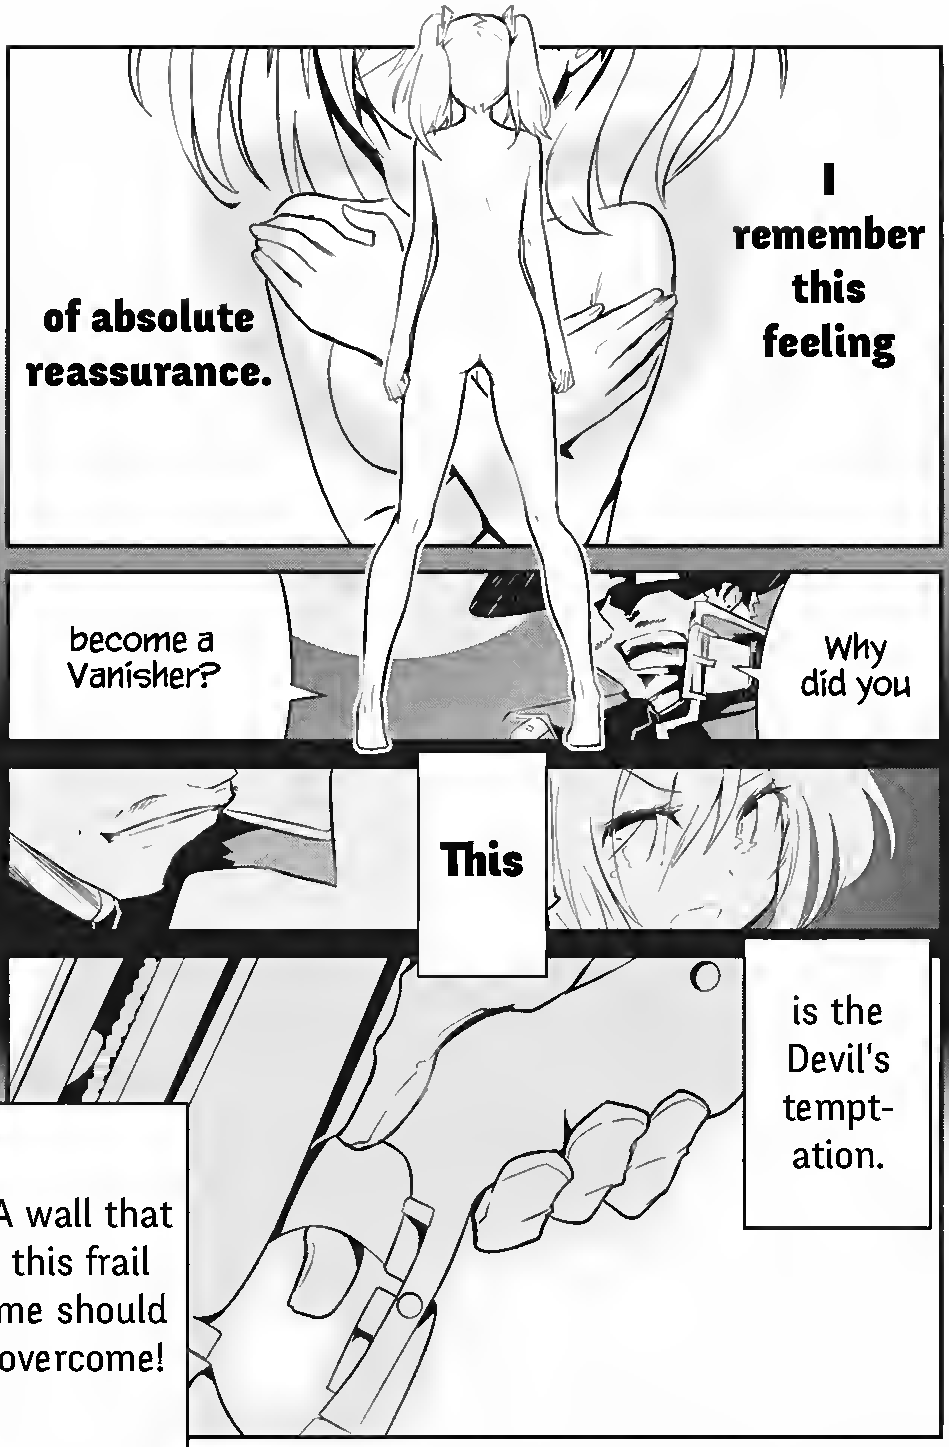
It feels like my heart

won't listen to what I tell it!

but I mustn't be angered by how I failed to confirm the existence of his Seal of Solomon.

I see how they were saved just now.

Note: Meijirou speaks in crappy English to the Pastor and the kids.



I remember this feeling
of absolute reassurance.
Why did you become a Vanisher?
This
is the Devil's tempt-ation.
A wall that this frail me should overcome!

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years

Sister, perfect timing!
I was totally worried!
About ?
Yomikado Meijirou!
Shuddap! I only know how to say "I love you" and "Thank you"!
Why do you only know those two lines!?
You can't speak English either!? Even though you're a Vanisher !?
Can you speak English?
I'll use a mutual comprehension pardon technique called the Anti-Babel Bless.
With this, you don't need to worry about languages for a while.
I guess I have no choice then...
Show me your forehead.

A technique used is an Astral wasted, dear.
This is amazing... I don't need to study anything then!
I see... I totally owe you then.
Yes, very!
Pastor-san... do you understand what I'm saying?
We under-stand!!
Thanks.
The devils here are formidable enemies, dear!
If we're unlucky, Daemon Class devils or even higher will-
Can't you read the situation?
Huh? But I'm going to the church.
Well, let's go look for Minamoto-san, shall we?

Mayori wouldn't lose to an enemy of that level.
We can count on her.

This man, so rudely,
stirs my heart.
Let's go
to the church.

It's as Master Tsukumo said...
There's a chance this mission was deliberately designed to test Meijirou.

and Karasuma Kinako!
The suspicious ones are Director Sudou
since I'm the Captain.

MY HEAD IS NOT A STARFISH.
(A Crappy English Sentence Only Meisirou Would Use)

Do we need that bit of trivia right now?
The starfish's favourite foods seem to be Manila and Sakhalin surf clams.
